The Original Allegation Reads as Follows:

The Reporter [REDACTED] states that [REDACTED] disclosed that [REDACTED] hits him and [REDACTED] with a leather belt on his arms and upper thighs. [REDACTED] showed the school counselor an older mark on his arm he reports was from the belt. [REDACTED] stated he previously told the school when asked that the mark was from playing soccer. The Reporter states that [REDACTED] disclosed he has used soccer as an excuse for marks he has had. [REDACTED] stated [REDACTED] will curl the belt up in her hands then hit both him and [REDACTED]. Last known incident was three weeks ago when [REDACTED] blamed [REDACTED] and [REDACTED] for their dog biting a neighbor. [REDACTED] stated that he and [REDACTED] have been hit where they will bleed. [REDACTED] states that Craig is aware of [REDACTED] hitting them with a belt and said that it's okay because [REDACTED] and [REDACTED] bring it on themselves. The Reporter states that [REDACTED] disclosed that [REDACTED] will also lock them in their room for hours at a time as punishment. The Reporter is unaware if there is a lock on the outside of their rooms.

On 04-JUN-2015, R/D relocated to [REDACTED] and interviewed all parties.

**victim**

R/D spoke with the victim [REDACTED] who attends [REDACTED] and is in the 6th Grade. [REDACTED] relates that he plays Soccer. R/D did a visual check-over of [REDACTED] who had a small scrape on the right knee which happened on the playground, he also had a couple small bruises on both leg shins caused in gym, and lastly, [REDACTED] had a small minor bruise on the left upper arm. There were no ligature marks or any other marks anywhere. [REDACTED] said he told the counselor that Mom hit him with the belt one time about 3or4 weeks ago. [REDACTED] relates that everything else in the past was soccer injuries. [REDACTED] relates that the mom does physically discipline him but it's never that serious and never any bleeding. [REDACTED] said only that one time when Mom hit him, it caused the small bruise. [REDACTED] relates that lately he has been behaving badly and deserves the discipline. [REDACTED] relates that he has been getting poor grades and most recently he stole \$10 dollars (theft) from the Assistant Principal's purse, he returned the money and apologized. [REDACTED] was told by the school that his punishment would be to help teachers in the school for 10 days. [REDACTED] relates that when at home, if he and [REDACTED] begin misbehaving his parents will punish them. They are sent to their bedroom, and are told to read a book or write a sentence multiple times. The bedroom door is never closed or locked. In addition, they lose privileges in where they cannot watch TV, and they are not allowed to use their I-Pad, or cell phone. [REDACTED] relates that his father never physically disciplines him or [REDACTED]. The Father only reminds them or warns them, to do as told or they will lose privileges and be punished. [REDACTED] admits that he is not tortured or beaten at home by the parents. During the course of this interview, [REDACTED] was crying and related that he was scared because he told the school staff that he was beaten by his parents. [REDACTED] admitted that he lied because he got caught stealing \$10 dollars from the Assistant Principal's purse and was fearful of the consequences that he would face at home.

**sibling**

R/D spoke with [REDACTED] the twin brother of [REDACTED] who relates that he attends [REDACTED] and is in the 6th Grade. [REDACTED] said he is disciplined on his leg, butt or hand by the mother, never seriously and never leaves any marks. Some of the reasons he's punished are as follows: one day he dropped an art piece and it shattered, another time he was told not to place the dog on the sofa and the dog fell off the couch, and also because he curses in school when kids make fun of him and currently for bad grades. [REDACTED] relates that he enjoys science and gym and plays hockey, football, basketball and soccer. R/D did a visual check-over of [REDACTED] and found no injuries or marks of any kind, only a few minor bruises caused from playing soccer. [REDACTED] believes that his parents are fair with him and [REDACTED] and said he loves them because they take care of him. [REDACTED] relates that when he is misbehaving his parents send him to his bedroom, and he is not allowed to play on the computer or I-Pad, not allowed to play with his 4 dogs and can not go outside and play with his friends. [REDACTED] relates that the father has never hit him. [REDACTED] relates that he is not being physically abused at home.

**ZIEDMAN, ALMIDA AND CRAIG, Parents**

R/D spoke with [REDACTED] and Craig ZIEDMAN about the allegation of physical abuse to [REDACTED] reported by the school. [REDACTED] acknowledged being frustrated and using the belt on [REDACTED] which caused a minor bruise on his arm. [REDACTED] was very remorseful. [REDACTED] relates that [REDACTED] and [REDACTED] have behavioral problems and when she disciplines them they both laugh and don't take her serious. [REDACTED] relates that [REDACTED] has become defiant, is not listening and getting bad grades in school. [REDACTED] and Craig relate that usually they ground their boys, [REDACTED] and [REDACTED] by sending them to their bedroom. They are instructed to read a book, or write. The boys also lose privileges like no TV, Computer games, iPad or cell phone usage. [REDACTED] and Craig relate that they just learned that [REDACTED] committed a Theft in school, in which he took \$10 dollars from the Assistant Principal's purse [REDACTED] has also taken money from the parents in the home) and embellished being physically abused to steer attention away from himself, because he knew he would get in trouble for the theft. Craig acknowledged that he has no problem with his wife administering corporal punishment to the children when deserved for behavioral problems. Craig relates that [REDACTED] has never crossed the line of physical abuse; the discipline has never been extreme and does not leave any marks on the children. Craig also relates that he never would condone physical abuse; he simply has said to the boys, if you don't behave or do as your told, you are going to get punished/discipline (lose privileges). R/D suggested that [REDACTED] consider using a different method of discipline. R/D recommended family counseling for the parents and children through DCFS/Intact services. R/D asked about the dog biting the neighbor and the parents said that the neighbor boy came into their yard (private property) and was only scratched by the dog not bitten and the problem has been resolved.

On 05-MAY-2015, R/D's Casanova and Diaz #21594 relocated to the residence to photograph both boys and learned that [REDACTED] had a new bump on his left forehead. [REDACTED] came home with this injury; it was caused in school while playing "capture the flag." The Father has a voice mail message on his cell phone from the school gym teacher telling him that [REDACTED] had sustained a minor bump on his head that was caused by bumping into another boy while in gym. This injury was checked out by the school nurse and everything appeared ok, ice was applied to [REDACTED] forehead. R/D's took Photos of both children to show no visible injuries or ligature marks or anything other than a minor bruise on the left arm of Tristan.

Based on the information above the R/D is requesting this case be classified: EXCEPTIONALLY CLEARED CLOSED (Other Exception/DCFS Family Counseling/No Physical Child Abuse/Only minor Corporal Punishment).
